

Dos Rios Light Rail Station Project

The new Dos Rios Station will be located on the Blue Line, on North 12th Street between Richards Boulevard and Sunbeam Avenue in Sacramento.

RIDER IMPACT

Light rail service will not be impacted until summer 2025.

COMMUNITY IMPACT

Road closures will be in place for two years starting in November 2024 on Ahern Street and Sproule Ave. Local property owners will continue to have access.

PROJECT BACKGROUND

The Dos Rios Station is part of a larger community development initiative, which includes affordable housing, supported by a \$23 million Transformative Climate Communities (TCC) Grant from the California Strategic Growth Council. This project aims to bring environmental, health, and economic benefits to Sacramento's underserved communities.

CONSTRUCTION SCHEDULE

November 18, 2024:

Ahern Ave and Sproule Ave will be closed (pending City approval). Only local property owners will have access during the two-year closure.

Late 2024 - Early 2025:

Retaining wall construction at Loaves and Fishes parking lot.

July 2025:

First weekend light rail service disruption for new outbound track work.

October 2025:

Second and third weekend service disruptions to finalize outbound track work.

April 2026:

Fourth weekend service disruption to switch to the new inbound track.

September 2026:

Station construction is expected to be completed.

Please note that this schedule may shift due to weather or other factors.
